

1st Annual Chili Cook-off 2015

I would like to take this opportunity to thank everyone for attending the first Riverbend Chili Cook-off. I especially would like to recognize and thank each Chili participant: Wayne Donle, Donna & Jerry Dowling, Linda Scheidt, Myrnalee Smith Rosinski & our first champion Mike Small. All the chili submissions were excellent.

I also would like to extend a special thanks to Kay Wiedner for coming up with the idea and spearheading the event along with Susan Kelleghan who worked hand and hand with Kay in all the preparations. Also I want to thank all the volunteers that helped with setting the food out, cleaning up, serving the chili at the stations and decorating Betty's for the event. One more accolade to Kay & Ron

Wiedner for creating the Chili Trophy that will be the symbol of excellence for the future chili cook-off champions. Without all of you this would not have been the successful event it was. You all rock!

Looking forward to next year's event.

Sincerely,

Bill Miller
BOD/Dock Coordinator
