

CONSENT TO RECEIVE ELECTRONIC NOTICES OF MEETINGS

The attached form may be used to indicate your preference to electronically receive (via email) notices of certain meetings. Notices electronically sent will help reduce Riverbend's mailing costs. In addition, it will allow you to receive notices of meetings more quickly than waiting to receive them through the US Postal Service.

Note that if there is an election, the Second Notice would typically contain ballots and envelopes, so you may still receive that notice via US Postal Service.
